“Credit Smart” 8 hour CE

Are you credit smart? Do you know all the ways your credit impacts your life? Are you protecting your good credit, or are you working on building better credit? Strong credit can help you expand personal financial opportunities and achieve your dreams, including homeownership. Credit Smart has been designed to help you obtain the knowledge and skills necessary to manage your finances and positively impact your credit. The more you know about credit, the better position you will be in to take advantage of the benefits of good credit. Brokers and originators will greatly benefit from this course and can better expand the credit knowledge of their customers.
